## Specialization

Real Estate

- Projects in accordance with the Developer Contracts Act (BTVG)
  - Condominium and property management
  - Tenancy law
- 

## About me

Markus Cerny has been an associate at VHM since March 2022. His clear focus is on the handling of property development projects. He handles specific legal issues in connection with real estate transactions, such as land registry law or land transfer law. The drafting of contracts is also one of his main areas of practice.

During his several years of professional practice in real estate law, Markus also developed a

---

special interest in tenancy law.

---

## Education

— University of Vienna, Austria, Master's degree in law (Mag.iur.)

---

## Languages

German, English
